This beautiful brick home offers a private setting resting on a professionally landscaped lot. The roof was replaced seven years ago. The outside was painted three years back. The inside was just painted three months ago. Additions to the updating include: hardwood flooring in the den, new wall oven/microwave unit, a cooktop and ceiling fans. This home features large rooms and an easy living floor plan all on one level. This is an estate sale, so house is being sold "AS IS".
